BH Construction

2007 53%

2009 57%

2009 80%

2011 75%

2011 82%

2013 78%

2013 91%

2015 83%

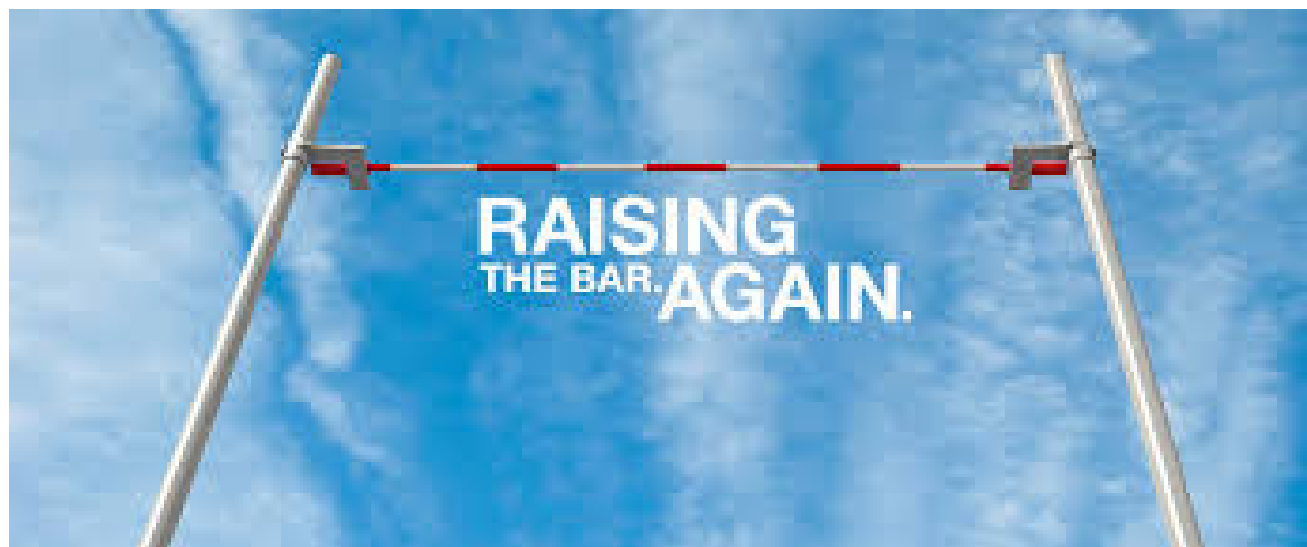

2015 93%

Glass half full      or      Glass half empty

The glass is half full – at least!

We are achieving our core aim – raising competency standards.

## What's next ?

Specialist audit for contractors carrying out design work.

Review of system audit questionnaire and scoring.

Development of the website to give more information to both clients & contractors.

**To the Engineer –  
the glass is twice the size it needs to be.**
